Since Mr Bangalore Mill Owners
seem to be so keen on opening
an institution for girls only at
Bangalore, perhaps sanction may
be accorded thereto. After the

BANGALORE

Sir,

Referring to correspondence ending with your letter No.R.5982/M1 94-20-4 dated 19th November 1920, regarding the opening of a School for the Deaf and the Blind in the Bangalore City, I have the honor to invite a kind reference to my letter No 42 dated 18th August 1920 on the subject, from which it will be seem that the proposed Institution is intended only for Girls and it is not thought of to compete with the existing Institution in Mysore City which provides for the training of Males only From a letter No 143 dated 19th November 1920, received from the Head Master of the Mysore Institution (Copy enclosed), it is clear that the Managing Committee consider it undesirable to have both male and female students in the same building and that there is no proposal to open a School for girls at Mysore Under these circumstances, it is clear that an Institution for girls is imperative I therefore request that Government will be pleased to sanction the proposal of the Council to open a School for the girls in the Bangalore City
